

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

Our college adopts a systematic procedure for maintaining and utilizing physical, academic and support facilities like laboratory, library, sports complex, computers, classrooms etc. Every year each department gives a list of equipment, repairable or broken, called physical verification.

College sweepers clean & sanitize the classrooms, staff-room, veranda and all toilets on regular basis. Dustbins are kept in college campus . Students take part in the cleanliness awareness program held by NSS. Lab-attendant cleans the laboratory time-to-time under the supervision of HoD. Water coolers are maintained time-to-time.

There is one Generator which maintenance done when necessary. Projectors, Computers, digital podium etc. are maintained by assigned teachers. If there is any mechanical or functional error in above academic and support facilities, the HoD has to write an application to the Principal for its maintenance.

Library restorer keeps the library Maintenance under the supervision of librarian .The Maintenance of sports ground is done under supervision of physical education teacher.

The construction and repair of college building is done by PWD. Besides, the Panchayat keeps watch and does minor construction, if needed and demanded by the college. Every year furniture is either purchased or repaired from broken furniture.
