Dear Sir/Madam

Due to recent updates in major browsers like Google Chrome, a critical security warning is being displayed while **redirection from https sites to http sites.**

The **college website is currently non-SSL i.e. http.** While making online fee payment, after filling the card/net banking details and OTP on bank/payment gateway site, the students are now getting this security warning and as a result most of the payments are not getting updated on college website. Therefore, it is recommended to install SSL on college website. It will ensure smooth online fee payments and also increase security of the website and data transfers.

A standard SSL will cost Rs.4,500 annually including discounts, current taxes, installation, configuration and maintenance. Keeping in view the financial tasks such as fee payments and enhanced security kindly consider installing SSL at the earliest.

Thanks with Regards

SUB: AMC FOR COLLEGE MANAGEMENT SOFTWARE, HOSTING

As you are already aware that from session 2018-19 and onwards we successfully implemented Online Admissions and College Management Software in your organization, additionally, any required updates were also provided for smooth functioning as per your requirement.

Kindly also note that due to recent updates in major browsers like Google Chrome, a **critical security warning is being displayed while redirection from https site to http site**. College website is currently non-SSL i.e. http. Therefore, while making online fee payment, after filling card/net banking details and OTP on bank/payment gateway site, students get this security warning. As a result **fee will be deducted from student's card / account but may not be updated on college website**. Keeping in view the financial tasks such as online fee payments and enhanced security, kindly consider installing SSL.

As per original quotation/agreement the charges for the upcoming session will be as under:

Sr	Particulars	Amount
1.	Software AMC @20% of actual software cost (20% of 35000)	Rs.7,000/-
2.	Hosting Renewal (1 year)	Rs.5,949/-
	TOTAL without SSL	Rs.12,949/-
5.	SSL for Online Payment Gateway, if required (Rs.5000 less 10% discount i.e. 5000-500=4500)	Rs.4,500/-
	TOTAL with SSL	Rs.17,449/-

Further required modifications / updates, if any, will continue in usual course of time as per AMC agreement. All terms, conditions remain same as per original quotation / agreement.

For any further queries / clarifications feel free to contact. Thanks with Regards

Harbhajan Singh
