

Significant contributions made by IQAC

The IQAC has immensely contributed in the implementation of quality assurance strategies and processes at all levels. The main objectives of IQAC are as follows · Realizing the Mission and Vision of the institution. · To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution. · To promote measures for institutional functioning towards quality enhancement IQAC of the institute persistently strives from framing strategies to bring about an effective, cohesive and mutually beneficial networking between the members of the alumni, to improve the teaching-learning process through increased use of ICT, expanding the scope of the library, skill development courses, providing information on latest happenings by organizing seminars, conferences, guest lecturers in the institution, career consultations (higher studies, developing communication and interpersonal skills of students for interviews). IQAC encourages various committees/cells of the institute like NSS and alumni association to organize awareness camps, extension and service oriented activities. IQAC facilitates the creation of learner centric environment by adopting the required knowledge and technology for participatory teaching and learning process. IQAC maintains institutional database, also analyzes feedback from various offline and online sources. IQAC periodically conducts academic and administrative audits and follow up procedures.
